When a new user joins our platform using your unique referral link, you will automatically receive this bonus.

Our Direct Referral Bonus is designed to incentivize users to share our business with others.

NIGHTINGALE (FIRST BOARD)

HOW DOES THE BOARD WORK IN KINZWAY

The board consists of 4 levels:

- L1 (1 member)
- L2 (2 members)
- L3 (4 members)
- L4 (8 members)

L1, L2, and L3 Positions will be filled with existing members
L4 will be empty, awaiting new members

NIGHTINGALE (FIRST BOARD)

MEMBERSHIP ENROLLMENT AND BOARD DYNAMICS

- New members can only join the First board (Nightingale Board)
- When a member refers someone, the new member is placed in the L4 position on the Sponsor's board, filling the next available slot from left to right.
- Upon new member enrollment, the sponsor receives a referral count, triggering a board shuffle based on three types referral counts
 1. Direct Referral Count
 2. Downline Spill Count
 3. Upline Spill Count
- Following each member's addition, the board undergoes a shuffle, triggering a "Magical Movement" occurs, reorganizing members based on referral count. This movement occurs in order of seniority, from left to right, top to bottom

Initiate the process by referring **LEE**, who will subsequently refer **YOU**.

Since Level 4 (L4) is completely empty, you will be placed in the first position. As a result, LEE will receive one referral count.

Then **CHEN** refers **SAM**, who is placed in (L4) next to **YOU**.

Chen receive one referral count.

Subsequently, the board undergoes a shuffle, triggering a 'Magical Movement' occurs, reorganizing members based on their seniority.

When **YOU** refer your first person, **ALEX**, to L4, you receive 1 referral count, and the board undergoes a magical shuffle based on seniority, resulting in your promotion to Level 3 (L3)

Next **YOU** refer **RIA**, who is placed in L4. You receive another referral count, bringing your total to 2. The board then undergoes a magical shuffle based on seniority. As a result, you advanced to Level 2 (L2)

Next **YOU** refer **CARL** to L4. You earn an additional referral count, increasing your cumulative total to 3
This triggers a magical shuffle of the board, based on seniority, resulting in your promotion to Level 1 (L1)

MAC refers **TOM** and receives 1 referral count.
Next **ALEN** refers **SUE** and receives 1 referral count.

FIRST BOARD (NIGHTINGALE)

When MAX refers KEN, KEN's ID is placed in L4. Once KEN joins, the board is complete.

At this point, no additional members can join this board.

The board will then split into two new boards. YOU will exit the current board and move to the next board.

Your ID will be strategically placed in L4 alongside your Sponsor's board

4

MULTIPLE PHOENIX BONUS (REBIRTH BOARD)

- As the board fills up, you'll secure the top position with the highest count before the last person joins in L4
- Once the board is complete, you'll exit and receive a Multiple Phoenix bonus of 1000 USDT.

4

MULTIPLE PHOENIX BONUS (REBIRTH BOARD)

Placement Mechanism

- If your designated Sponsor is not identified upon entry, you'll be strategically placed under the next available Superior within the Rebirth Board hierarchy.

Count Reversal

- If your direct or downline enters the board before you, the count goes to your Sponsor or Superior. However, when you enter, the current board member's count is reversed and added to yours.

- Sponsor's downlines (Upline Spill Count)
- Superior (Downline Spill Count)
- Superior downlines (Upline Spill Count)

Count Reversal:

- Upline Spill Count

Direct Referral (S) Count:

When your direct team performs and advances to the second board or next, their counts are initially credited to others. However, when you enter the second board, you will receive all of your direct team's counts at once, regardless of whether they are currently available on the board or not.
